Dear Stakeholder,

## Annual Review and Planning Meeting of FtF Integrating Nutrition in Value Chains Bridging Activity 29-30 June 2017

The Feed the Future Integrating Nutrition in Value Chains Bridging Activity (FtF INVC BA) is supporting two components initiated by the FtF flagship INVC, which phased out in October 2016, notably, Advancing Value Chain Competitiveness and Improving Productivity in groundnuts soybeans and pigeon peas. The Bridging Activity provided improved seed, inoculant and extension services on best production and marketing practices to producers and other grain legume value chain participants in 14 EPAs in 5 districts in the Feed the Future Zone of Influence (Zoi) during the 2016/2017 agricultural season. In addition, the Activity supported seed fairs in 6 EPAs in 3 districts in the Zoi during the same period.

FtF INVC BA will hold its annual review and planning meeting from 29<sup>th</sup> to 30<sup>th</sup> June 2017 at a venue to be communicated in due course. The objective of the meeting is to examine the implementation and feed the lessons learnt into the planning of activities and implementation in its second year, in order to enhance achievement of the Bridging Activity's objectives.

As an active stakeholder of the FtF INVC Bridging Activity, I am extending this invitation to you, to attend the review meeting on the dates indicated above. Details on venue and the program of the meeting will be sent in due course.

Kindly confirm your attendance by Friday 26<sup>th</sup> May 2017.
